## Our Turn

Provide for the next generation what you wish the previous generation had provided for you.

## Discussion Questions:

1. Have you ever experienced a situation where you felt out of place or unwelcome in a church setting? If so, how did it affect your perception of the church?
2. Reflecting on the idea of being "the church for our generation," what responsibilities do you believe come with that role?
3. It can be easy for churches to drift from their original missions. What factors do you think contribute to that drift? What can churches do to counter those factors?
4. Do you currently volunteer at the church? If so, in what area? Talk about why you serve?
5. Are you hesitant to volunteer or serve within your church? If so, what factors influenced your decision?
