Ice Breaker: Share about a time when you were traveling or going somewhere and experienced an unexpected encounter or conversation that changed your perspective.

Questions

1. The two disciples were walking away from Jerusalem, away from where Jesus had been. When have you found yourself spiritually "walking away" from where God wanted you to be?
2. The disciples didn't recognize Jesus even though He was right beside them. Can you think of a time when you later realized God was working in a situation, even though you couldn't see it at the time?
3. In what areas of your life might Jesus be waiting for an invitation from you?
4. After recognizing Jesus, the disciples immediately returned to Jerusalem (the right direction). How does encountering the resurrected Jesus change our direction?

Prayer

Lord thank you that you meet us wherever we are and you are working even when we can not see it. Thank you that you reveal yourself through your Word and desire relationship with us. Help us to remember that you are the answer to every one of our needs. Amen.
