

“For Your Kids — Give to Your Family”

Small Group Discussion Guide

May 25, 2025

Key Scriptures: Matthew 6:26-30; Proverbs 6:6-8, 13:22; 1 Timothy 5:8

Key Points: God is generous with us so that we can be generous with our families. He also acknowledges that providing is hard. The Bible calls God provider. Do you?

Group Opener:

What was your first memory of being worried about money, and how does that shape your view of finances today?

Discussion Questions:

1. Why do you think money is such a difficult or touchy subject in the church? In your relationships?
2. Read Matthew 6:26-30. Jesus highlights that God provides for sparrows and flowers. How does that image help your ability to trust Him to carry the weight of your finances?
3. How does the desire to have more than enough hinder our ability to see when we *do* have more than enough?
4. What does it mean that God is good, and how can this truth reshape your relationship with money and provision?
5. How might God be inviting you to trust Him to provide? Take a few minutes to pray about this.
