

## The Good News is Invitational

**Scripture: Romans 10:8-17**

### Sermon Points:

God invites us to know Him and make Him known

1. God invites us into the power of the good news (v9-13)
  - The good news is personal (v9)
  - The good news is confessional (v10-11)
  - The good news is unconditional (v12-13)

2. God invites us into the passing on of the good news (v14-17)

**Group Opener:** Share the short story (2 min max) of who told you about Jesus and how you gave your life to Christ.

### Discussion Questions:

1. God invites us to know Him and make Him known to others. Why do you think some people separate those two?
2. Read Romans 10:14-15, map out the flow of five verbs that show how God uses people to reach people.

God sends -> You speak -> Others hear -> They believe -> They call on -> Jesus Saves

3. Jesus' primary method of bringing people to Himself is our relationships. Why do you think God prioritizes outreach in our relationships?
4. Pull up your "Pray + Invite" card from your phone. Share what you're doing to reach those listed.
