

**Biblical Manhood  
Final Session  
Man Card Ceremony**

Over the next 2 weeks we will be reviewing the plans that have been turned in and will get notes back for encouragement and consideration. In the meantime, begin working your plan. We will spend the last part of this session in our groups and ask that each man take 1 or 2 initial bold action steps. Write them down here and get accountability with 1 or 2 other men.
