

Cain and Abel – The First Murder Genesis 4

Discussion Questions:

- 1) What wrong thinking or lies do you believe, or have you believed about God? What truth do you (or did you) need to plant to replace that lie?

- 2) Has God given you a warning about sin or temptation in the past? What did you do with that warning? How can being aware of the reality of sin and our own depravity help us stand against sin?

- 3) God is just and merciful. Do you tend to emphasize one truth about God over the other? Which one and why?
