A TWO-YEAR JOURNEY THROUGH
THE STORY OF GOD

Week 1 | How Did We Get Here? | Introduction

Dear Friends,

We are so glad you could join us as we begin our *Journey through the Story of God!* ***“Rescued! A Journey through Exodus,”*** the first in our 4 semester series, is a perfect place to start. Exodus is an epic story of God’s heroic rescue of His people out of slavery and into freedom and a land of promise. We’ll discover together God’s unparalleled character as He transforms a newly liberated yet rebellious people into His beloved nation of Israel, a light to the nations exhibiting God’s goodness and grace. More personally and intimately, our journey will point us to an even greater story of love and deliverance that involves ***each of us--we, too, are Rescued!!!!***

YOU are not a passive participant in this journey! You play an integral role in receiving all God has for you! We are convinced, for you to get the most out of this study, you need to do three things each week:

- Read the selected passages from the Bible
- Complete each week’s study questions
- Show up every week to share your insights in small group and listen to the lecture

A Note on the Homework: It’s always a little confusing to figure out when to do which week’s study questions, so let me try to explain. Today, which we will call “Week One,” you had no study questions to prepare. This coming week, however, *in preparation for* “Week Two,” you will read and complete the study questions for “Week Two,” Exodus 1-2. Then, we’ll return on Week 2 to discuss what we studied and to hear a lecture covering the Week 2 material, Exodus 1-2. For the following Week 3, you will prepare Week 3 study questions *beforehand*. Confused? Your small group leader would love to help you!

Looking forward to starting this journey with you as we meet and are rescued by our incredibly powerful AND personal God!
