

## God's Given us a Great Opportunity

1. Think about a time you were given a "great" (or fun, or out-of-the-blue) opportunity to do something. What was it and what did you do with it?
2. Read Matt 25:14-15 As you look at your life, do you tend to think that you've been given a lot to oversee? Why or why not?
3. How does it help you to know that God has not only given you opportunity but ability to do something with the opportunity he's given you? Why does that matter?
4. Read Matt 25:16-18 Why do you think the "1 Talent" guy "hid his master's money?" Can you think of someone who did not work with the "talent" they'd been given? Why did they do that? What was the result?
5. Read Matt 25:19-23 Can you think of a time when you heard "well done?" What was the situation and how did you feel? Why does Jesus tell us that we will hear this from our heavenly Father?
6. Think through the different areas of your life (marriage, parenting, grandkids, work, school, personal growth area, friends). Which area (pick one) do you want to "at once" get to work with? What could you do in that area?
