MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Do you feel that you are generally a trusting person? Why or why not? When it comes to God, how completely do you trust Him?
2. Hezekiah made Judah an “idol-free” kingdom. What opposition do you think he may have encountered? Have you ever done an idol inventory of your life? What did you discover?
3. Trust is tested when we face circumstances and personal struggles that we are unable to repair by our own strength. Are you facing any struggles that you need to trust God to resolve?
4. Think on who God is and the promises he has made to those who trust Him. List as many of those promises and characteristics of God that you can think of. Now thank Him for being a trustworthy God!
