" Investing Your Treasure"

Luke 12:22-34

You cannot solve problems created by your anxiety (or greed) about money without addressing money.

For where your treasure is, there will your heart be also.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family and friends.

1. Does it seem like 96% of our country is concerned about the economy? Why do you think we are both the wealthiest nation and also still deeply concerned about wealth?
2. What do you tend to do with financial concerns? Has your approach to money concerns changed over time?
3. Does it seem like churches do a good job or a bad job teaching what Jesus challenges us about money? And how comfortable is it for you to even think about Jesus speaking into our financial lives?
4. Could you pray that God would encourage you to grow past any anxiety over finances?

Memory Verse
