

## Part 2: Spiritual Questions

1. How do we handle hard questions from people about God/Bible?
2. Tithing...really, do I have to?
3. Do I actually have free choice, or is everything already predetermined by God?

# MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family and friends.

1. Which of the questions answered this morning resonated with you most and why?
2. When it comes to answering hard questions about the Bible, what are the most difficult for you? Summarize in your own words what was talked about regarding the charge, “so, you think I’m going to hell.”
3. Tithing: what from this message helped you better understand God’s commands with respect to tithing? Is handling money God’s way a challenge or not so much for you and why?
4. Free choice or God controls everything: What helped you with this topic from the message? What is still unclear or confusing? Do you tend to come down on the free choice side or the God’s in control side?
5. Of everything that was talked about today: What piece do you still need to spend some time processing for yourself? What is the next step God is leading you to as a result of this week’s questions?
