

Your Monday Morning Mission

Discussion Questions:

1. Discuss with your group some of the people who shared the message of Jesus with you and how that has impacted your life. What about their words and actions helped bring you to Jesus?
2. Look back at 1 Cor. 4:1-2. What does it mean to be a faithful steward of the message?
3. How does understanding what's at stake for those apart from Christ shape your understanding of our mission as witness for Christ? Does it motivate or discourage you?
4. Discuss with your group someone who is already in your life that you can share Jesus with more intentionally. Close by spending some time in prayer for those people.
