

Is It Finished? Living Out The Last Acts of Jesus.

Can You Unsee The Cross?

When he had received the drink, Jesus said, **“It is finished.”** With that, he bowed his head and gave up his spirit. **John 19:30**

Scripture Text: John 19:16b-42

Sermon Points:

1. The suffering and love of Jesus. (16b-27)
2. The sacrifice and death of Jesus. (28-37)
3. The transformation of the timid in the burial of Jesus. (38-42)

Discussion Questions:

1. What stands out most to you about the suffering and love of Jesus on the cross? How have you been changed by the image of Jesus on the cross?
2. John is an eyewitness to the events on the cross. (See John 19:26, 35) How does that shape your confidence that these events are true? Does the fulfillment of prophecy in verse 24, 28, 36-37 also boost your confidence? Why or why not?
3. As you consider the image of Jesus on the cross, consider both how you've been changed and what might be clouding your vision of Jesus' great love and sacrifice for you. Ask others to pray for your courage and follow through.
