

## Christmas Day

*Christmas is a time for celebration, but not just because of the seasonal festivities. It's a time to pause, reflect on, and celebrate what matters the most — the birth of Jesus. We wish you a merry Christmas, and we hope that you have the peace and love in your heart that comes from the miraculous birth of Jesus*

**Group Opener:** What is the greatest gift you have ever received? Best gift given?

### Discussion Questions:

1. What's your favorite Christmas tradition? Have you ever broken from a tradition or started a new one that has been passed on?
2. Pray as a group that each of you can carry on the message of Christmas throughout the year in different ways. How can the message of Jesus's birth, life, death, and resurrection begin a new tradition for your small group? Get creative!
3. When you think about Immanuel, "God With Us", does the gift of Jesus still stir a desire to share that gift with others? How?

### Memory Verse:

Luke 2:11 - "Today in the town of David a Savior has been born to you; he is the Messiah, the Lord."
