MY APPLICATION

The following questions this week reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family and friends.

Preparing people to know their missional world and share the love and truth of Jesus.

1. Who is someone in your world you can begin to pray for to attend a Christmas service this year? What is something you can do to BLESS them before an invitation?

Developing spiritual habits in people to know God and grow Christlike character.

2. Is there a spiritual habit that you feel confident and secure in? Is there a habit that you wish you knew more about, or was a part of your pattern of living? Is there a habit you used to prioritize and wish was a part of your life again now?

Building biblical knowledge so people possess Christlike thinking.

3. What is your habit of reading the Bible? What parts of the Bible are most clear to you, and what parts are not? Are you aware of resources that HCBC has to help you with your Bible?

Memory Verse

²Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.
