'Godliness'  
II Peter 1:7

Godliness is reverence for God expressed through a life of holiness.

For if these qualities are yours and are increasing, they keep you from being ineffective or unfruitful in the knowledge of our Lord Jesus Christ.

We Grow in Godliness by:

- Grace-driven effort
- Grace-driven repentance

# MY APPLICATION

The following questions this week reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family and friends.

1. Godliness is reverence for God expressed through a life of holiness. Discuss together this definition of godliness. What are the two important components of this word?
2. What's the difference between grace-driven effort and non-grace driven effort in our pursuit to grow in godliness?
3. Read Titus 2:11-12. What do these verses teach us about grace-driven repentance? What are areas of sin you need to renounce so you can live a godly life?
4. What impact have you seen or could you see in your life if you are growing in godliness?
