

God's Flood and Noah's Rescue Genesis 6-8

Discussion Questions:

1. Do you find it easier to focus on God's justice or his mercy and why? Why is it important to understand and appreciate *both* attributes of God?
2. God highly values all of his creation, including all nature, animals, and humans. Do you have the same regard for all of creation and every single human being? What would our world look like if it followed his example? What would your life look like if you loved what God loved?
3. Noah was saved because he believed God and got in the ark. How does it deepen your understanding and appreciation of the salvation found in Jesus' sacrifice on the cross?
4. Take time as a group worshiping God through prayer. Praise him for his justice, his mercy and grace, his beautiful creation, his love for all human beings, his patience with a wicked world, his Son who took the punishment(justice) we deserved, etc.
