

The Measure of a Man: Men of Morality

1. What we read, see, and think can pass through this Biblical test of Phil.4:8. What could this “test” look like on a regular daily, weekly, monthly basis?
 - a. Give some examples of personal accountability and group accountability that could apply here.

2. Why do some men have more difficulty in maintaining moral purity?

3. How can we avoid sexual immorality and sexual addiction? If already a problem, how can we overcome it?

4. Share some goals/desires you might have to stay free from sexual immorality. Pray for each other specific to these goals. (note: no one should feel forced to share or pray, but all should have an opportunity.)

Goals/Notes (Write at least one goal as a result of this study):
