

Fathering God's Way

Chapter 16

- 1.) We discussed how children's view of their earthly fathers informs their view of their Heavenly Father. Share how you have seen this to be true in your relationship with your father. What positive things did you learn? What things have been the most difficult to overcome?

- 2.) If your relationship with God is the starting point for your relationship with your kids, how are you doing in that department? What are your biggest hinderances to spending personal time with God? What can you do make spending time with Him a priority?

- 3.) How do you let your kids know that you love them? Discuss and share some examples.

- 4.) Read 1 Corinthians 3:4-8 again. How have you experienced that kind of love from your Heavenly Father? Which of these things do you have the most room to grow in when it comes to loving your kids?

- 5.) What part of being a father currently brings you the most joy? What is the most difficult? Spend some time praying for one another about these things as you close.
