

## **A Holy Life**

### **Chapter 19**

1. What have been your own experiences in clearly understanding what the New Testament teaches about “holiness”?
2. Why do most people want to *do* something to make themselves acceptable to God – that is, to be saved?
3. How do we balance the fact that God has made us holy through Christ, and the active call to be holy in all of our conduct without it becoming about “works” or “legalism”?
4. If you’re willing, share some of the ways that you struggle the most in reflecting God’s holiness. Pray for each other in these.
