

JONAH

God's Relentless Love

In the Belly of the Beast

Jonah 2

Big Idea: God is always present regardless of what we are going through.

1. God is present in our rebellion.
2. God is present in our trouble.
3. God is present in our worship.
4. God is present in our mission.

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. When you look back on a season of rebellion in your life, can you see where God may have been working to redirect your steps?
2. What are some of the things God has revealed to you in times of trouble? Did that season produce anything new in your spiritual life?
3. Define worship. How have you experienced God's presence in worship?
4. What is the mission that God has called you to? What does that look like day-to-day in your life?

MEMORY VERSE

“But I, with the voice of thanksgiving, will sacrifice to You. I will fulfill what I have vowed. Salvation is from the LORD!”
