

THE BEST IS YET TO COME

a study of Ezekiel

The God Who Calls Ezekiel 2-3

1. The Prophet: The call to share God's truth with others

2. The Watchman: The call to warn people about the coming judgement

3. The Gap Filler: The call to be the difference maker

MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. When you think of a life calling, what comes to mind? Where does a life calling come from? Do you believe that God has a life calling that He gives to everyone? See Ephesians 2:10.
2. Read Ezekiel 2:1-8 and 3:12-15. Does it seem to you that Ezekiel was called or conscripted? Why would God totally overwhelm Ezekiel to get him to be his prophet? What is the motivation for our call in the New Testament? See 2 Corinthians 5:14-15, 20.
3. What is the role of the Watchman? Do you feel any responsibility for the souls of the people around you? Why or why not? See Ezekiel 3:16-19.
4. The God who calls is looking for difference makers. Do you feel that you have heard his call for where and how you are to be a difference maker? Pray for God to clear obstacles and open up hearts in your group.
