

Own Your Legacy 2 Timothy 4:9-22

We are real people with real needs. (9-15)

God will always meet our needs. (16-18)

We leave a legacy when we live a life of purpose.

Own the Truth:

A life of purpose leaves a legacy that is worth following.

Discussion Questions

1. What stuck out to you from today's lecture?
2. Let's take a look at the homework. What were your key takeaways?
3. Let's take a look at the life purpose statement tool. How did you go about drafting a life purpose statement? If you are willing, share your life purpose statement.
4. Whose legacy has made an impact on you?
5. When you consider your own real needs, is it easy or hard to share them with others when you have an unmet need? Why?
6. At the end of Paul's life, we find that he is compassionate and forgiving towards those who have wronged him. How does his example challenge you in your relationships with others?
7. After a season of taking a hard look at your life purpose and considering your legacy, how might you need to live differently so that you can be intentional about leaving a legacy that is worth following?
