MY APPLICATION

Use the following questions this week to reflect on what it would mean to align yourself with the truths taught in Scripture. Each question is meant for both personal reflection and as a catalyst for discussion with your family, friends, or small group.

1. Do you hear God speaking to you? Explain what that means to you. How do you discern the voice of God from the other “voices” within and around you?
2. When was the last time you took some time to go out into nature and ponder the communication it was sharing with you about God? What have you come to know about God from his voice speaking through nature?
3. God speaks in a personal way to us through his Word. See Psalm 119:9, v. 11, v. 33-40, v. 105, and 2 Timothy 3:16-17. How often do you read and meditate on God’s Word? How do you get it into your life? Share your best practices as a group.
4. Memorize Psalm 19:14 and pray it to God every morning this week. Share how God is using this verse and your prayers to speak to you.

Memory Verse

“May the words of my mouth and the meditation of my heart be pleasing in your sight, O Lord, my Rock and my Redeemer.”
