Discussion Questions:

1. Which of the “Core Concerns” of women do you most connect with? Are there any of the man’s “Core Concerns” you have trouble appreciating or understanding?
2. Are you surprised by the assertion that God is “pro-sex”? Why or why not?
3. How does the idea that sex is “human glue” change your perspective of sex within marriage? How does that concept shape your perspective on sex outside of marriage?
4. How are men and women different with regard to their sexual attraction and progression? Why is it important to understand this? (as a married woman OR as a single)
5. What do you wish you had known sooner about this topic?
