

Opening Day

When the church first began, a natural question surfaced right away: What shall we do? The answer had to do more with understanding who your faith was in more than what needed to be done.

Discussion Questions:

1. Was there a season in your life when you reserved God for emergencies only?
2. If that's still the case, why? If that's no longer the case what was the catalyst for change?
3. What barriers do you think exist for followers of Jesus to get baptized?
4. Have you been baptized? If not, why not? If so, when?
5. Read **Matthew 16:15–18**. when Jesus is speaking to Peter about the future of the church. What confidence can that give us about the future of the church? If church engagement is currently in a state of decline, how can what Jesus said to Peter be true?
