

WHAT Our WORLD NEEDS NOW

Faithfulness

It's tough enough to be a faithful follower of Jesus under normal circumstances, and nearly impossible when someone around you has given you a big reason not to be. But help is available to us.

Discussion Questions:

1. How do most folks explain their propensity to break their own rules?
2. Have you been on the receiving end of unfaithful? How did you respond? What would you do differently?
3. Read **Luke 19:1–7** aloud. Look at verses 2 and 7. Describe the kind of life you think Zacchaeus had. In light of that, what would you think made him curious about Jesus?
4. Read **Luke 19:8–10** aloud. What do you make of what Jesus said to Zacchaeus?
5. Did the reference to Zacchaeus owning up to and making restitution for the way he treated people bring anything or anyone to mind?
