

## Discussion Questions

### WEEK 2

- James 1:5 instructs us to ask God for wisdom when we need it. This instruction comes with a promise that God will not only answer our prayer but also desires to provide us with his wisdom. Have you ever experienced the wisdom of God? Has there been a time when you were given an idea, insight, or solution to a problem that you knew wasn't your idea? What was that like?
- Immediately after James tells us to ask God for wisdom, he follows up by warning us not to doubt. Look at James 1:6–8 again. Why do you think James gives such a strong warning about doubting God? [See also Hebrews 11:6.]
