

MODERN MEN & OUR ANCIENT SCRIPTS

Lion & Lamb

Somebody may have defined masculinity for you, but how will you define it for yourself?

Discussion Questions:

1. What was on the masculinity script you were handed as a child?
2. Did it come naturally? Was it a fit? If not, how did you compensate?
3. How do we go about deciding “what it means to be a man?”
4. Read **Luke 23:35–37** aloud. Jesus is labeled as both a “Lion” and a “Lamb.” How does this passage represent his being both?
5. Are you more lion or lamb? What makes you say that?
