Broken and Grateful

We can disagree culturally and politically, and still love unconditionally.

Discussion Questions:

1. The gravitational pull of churches is to focus on insiders. Why is that?
2. Read **Acts 15:19** aloud. What are some ways churches make it difficult for people to turn to God? How can we, as individuals, make it easier for people to turn to God?
3. It's easy to find examples of Christians who demonize others who do not agree with their political or ideological views. Is this something you've been guilty of? If so, in what way?
