

# NOT IN IT — TO — WIN IT

## Not In It To Win It

People sometimes use religion to justify positions, especially around social and political topics. But Christianity was never intended to try and win arguments. In fact, it's just the opposite.

## To Discuss

During this current season of uncertainty and heightened emotions, how are you doing with these four habits? Which one(s) do you need to focus on?

- Establish a Sunday morning routine.
- Establish a small group routine.
- Keep your kids connected.
- Pray for your church.
