Week One Discussion Questions

1. Have you ever experienced a paradigm shift? Talk about a time when you saw something differently than you had seen it before.
2. What do you think God is like? Have you ever noticed whether you thought God likes some people more than others?
3. What do you think God thinks about when he thinks about you? Why?
4. How would it change the way you think, or the way you live, to know how much God values you?
5. Reed said that we can live our lives in such a way that we reflect the heart of God. What's one thing you can do this week, or one shift you can make, to accurately reflect the heart of God by the way you live?

When it comes to what we think God is like, and who he likes, we need a much bigger perspective. The way Jesus lived was meant to expand our view of God and his love for us.
