

A Conversation with Bruce Deel

Andy Stanley's conversation with Bruce Deel highlights the inspiring work of City of Refuge, a Be Rich partner dedicated to moving people from crisis to independence.

Discussion Questions:

1. What highlights stood out to you from the interview?
2. Bruce left certain comforts to start what would become City of Refuge. When it comes to serving, what role does our comfort level usually play in our decisions?
3. Read **1 Timothy 6:17–18** aloud. Talk about the connection Paul makes between wealth, generosity, and faithfulness.

Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment. Command them to do good, to be rich in good deeds, and to be generous and willing to share.

4. Is there a relationship, neighbor, or need in your world that God might be inviting you to engage more deeply with? If so, what might that be?

During Be Rich, our annual generosity campaign, we remind our communities that everybody matters to God. Join us as we partner with some fabulous nonprofit organizations to meet critical needs in our communities. Visit berich.org to participate.
