

Kingdom Come

Week Three Discussion Questions

1. When is the last time you experienced something so good you had to share it? What was it—a restaurant, a movie or show, a vacation spot?
2. Read 2 Corinthians 5:17-21. In your own words, based on this scripture, why do you think God sent Jesus? What was his purpose in doing so?
3. What does the thought of sharing your faith with people bring up for you? Does it feel scary? Intimidating? Pushy?
4. If you are a Jesus-follower, have you ever thought of yourself as an “ambassador” or Christ? Have you considered the idea that there are people out there who may not know God unless you go and tell them?
5. In order to share Jesus with others, Reed said we should first pray earnestly, then walk wisely, and speak graciously. What are some ways our world would look different if we all followed these steps? How would we be different?
