

## ***Week 1: Open Invitation***

### ***The Greatest Invitation***

#### **Discussion Questions**

1. What is the greatest invitation you've ever received? What made it feel so special?
2. Think about social media. When you choose to "follow" someone online, what's usually your motivation?

**Read John 1:43–49.**

3. What stands out to you about Jesus's invitation to "follow me"? How is it different from simply "following" someone online?
4. When Philip invites Nathanael to meet Jesus, he says simply, "Come and see." If you were offered an open invitation to "come and see" something that could bring you joy, peace, or purpose, would you want to check it out? Why or why not?
5. What invitation have you received that also included an expectation?
6. What have you experienced with Jesus that you would want to invite others into?
7. Who are three people you know who might benefit from an invitation to "come and see"? What steps could you take to invite them into something meaningful?

## **Moving Forward**

As you take steps to give the *Greatest Invitation*, we invite you to **earnestly pray**:

- **Pray every day for boldness, opportunities, and the Holy Spirit to open doors.**
- **Pray that you would desire to carry the vision and continue the mission.**
- **Pray for the people in your circle of influence to know Jesus. Write their names somewhere so you remember to pray for them.**
