

HEAVEN

Part 3: The Age To Come

How you live your life on earth impacts how you will experience heaven.

Discussion Questions:

1. When you think about heaven, what's one thing you envision?
 2. What's something about life on earth that you hope carries over into heaven?
 3. Read **Romans 8:19–23**. What stands out to you about Paul's description of our afterlife?
 4. When we consider life after death, many of us typically think, “*When I die, I'll go to heaven.*” While our spirits do leave our bodies and come into the presence of God, it's not until Jesus's return and our physical resurrection that we will fully enjoy the new heaven and new earth. When you think of the afterlife, do you spend more time thinking about what happens immediately after death, or what happens when Jesus returns and there is a bodily resurrection? Why do you tend to think of one more than the other?
 5. We've all heard the phrase, “You only live once.” But what if we considered the phrase, “You only live forever.” How would our lives change if we embraced that phrase?
