

What If?

“Filled to the Brim”

Jesus wants to transform your heart... what if you said yes?

Discussion Questions

1. What's your biggest "What if?" in life right now?
2. In John chapter 2, Mary tells Jesus that the hosts of the wedding have run out of wine. What have you run out of in your life? What has been your plan to get it back?
3. Later in the passage, Mary tells the servants at the wedding to "Do whatever he (Jesus) tells you." Jesus then told them to fill the jars with water. I'm sure that didn't make sense to them at the time, but they chose to trust Jesus's plan more than their own. What would be different if you truly trusted God's plan more than your own?
4. Matt mentioned that "Jesus can only transform what we make available to him." Is there something in your life that you've felt you should make available to Jesus, but have been holding back? Your relationships? Your family? Your thoughts? Your control? Your heart?
