

## Week 3: The God of Second Chances

### Discussion Questions

1. **Second Chances** – Where in your life have you experienced God giving you a “second chance”? How did that shape your view of Him?
2. **Obedience** – Jonah obeyed God the second time He called. What makes it hard for us to say an unreserved “yes” to God, and what helps us obey?
3. **Nineveh Today** – Who or what feels like “Nineveh” to you—a person, group, or situation that feels too far gone? How might God be calling you to pray for or reach out to them?
4. **True Repentance** – The Ninevites didn’t just feel sorry; they changed their actions. How do we know when our repentance is genuine, and what does that look like in daily life?
5. **Grace for Everyone** – It’s easy to believe God’s grace is for “others,” but harder to believe it’s for us. What holds you back from receiving His grace fully, and how can your group encourage each other to live in that truth?
